- The washing mode is performed on the fabric, but after the fabric is converted into clothing, it must be evaluated (clothing appearance, use of other fabrics, use of interfacing / interlinings, etc).
- Be careful of the fabric getting in contact with abrasive surfaces, yarn may be tugged.
- Do not mix batches.
- Claims will be accepted within 15 days after receipt of the goods.
- All tests mentioned above were performed through NBR, ISO, AATCC standards and / or internal standards.
